GIN - PERFECT SERVES

Enjoy the 'perfect serve' at Amarone. All our gins have been selected for their popularity and flavour. Served in our 'perfect serve' large wide bowl glasses, your gin will sing as the aroma of all the gins botanicals are trapped in the bowl for your pleasure, enhancing your drink

As a 'perfect serve' we think only a 50ml measure will do, however, if you would prefer a 25ml measure of your favourite gin, just let your server know. The price of our perfect serve gins include your choice of tonic

BROCKMANS £9.55
Traditional notes of gin are combined with a refreshing influence of citrus and aromatic wild berry. This creates an intensely smooth gin with a beautifully crafted taste that is sensual and daringly different

Our perfect serve for this refreshing gin is with Fever-Tree Tonic Water and fresh strawberry to compliment the citrus tones of the gin

BOTANIST ISLAY GIN £9.55
A fabulous Scottish gin from Islay incorporating 31 foraged botanicals, 22 native to the island including wild Islay juniper berries distilled to perfection by the same distillery behind Bruichladdich Single Malt

We reckon it cannot be beaten when mixed with Fever-Tree Tonic Water, a piece of lime and a sprig of fresh mint

CAORUNN £9.55
Caorunn (pronounced 'ka-roon') is a small batch gin, distilled on Speyside. A clean, crisp, aromatic gin with a pronounced fruitiness and slight heather honey sweetness

We serve this gin with Fever-Tree Tonic Water and a slice of apple to bring out the subtle crispness of this sweet and fruity gin

HENDRICKS £9.55
